

Amazing Amoxicillin the Antibiotic

Meet Amazing Amoxicillin the Antibiotic! Antibiotics are special medicines, they have superpowers but only when fighting against bacteria! Amazing Amoxicillin's powers have no effect on fungi or viruses such as the flu...

Amazing Amoxicillin has encountered a gang of *E. coli* trying to invade somewhere they shouldn't be and he takes them down!

After such a long battle Amazing Amoxicillin the Antibiotic is getting tired, he's been up against *E. coli* too many times and now the evil *E. coli* have learnt how to escape, and Amazing Amoxicillin can't stop the infection anymore.
